World of Innovation
Innovation is no longer an option, but a necessity.
SUSE recognizes the importance of innovation. We have been enabling our partners/clients in their efforts to innovate and prosper. We applaud your efforts to become an innovative enterprise.

India Innovation Hero Awards 2021
This award is an opportunity for us to celebrate the achievements of companies and individuals that have harnessed the power of SUSE products and technologies to become an innovative enterprise, established a sustainable business infrastructure to transform digitally, and created a positive impact on India 2.0 landscape.

How does the awards process work?
SUSE customers and partners will be recognized for their transformative projects and technological achievements experienced through the use of SUSE open source solutions. Customers and partners, both enterprise and government organizations are invited to nominate some of the best open source stories within any of the mentioned categories.

Industry innovation hero

- Energy & non and resources
- Financial services
- Consumer industries
- Manufacturing industries
- Service industries
- Public services

Partner innovation hero

- Independent hardware vendor
- Independent software vendor
- Value added reseller
- Cloud service provider

Nomination entries are open starting from Aug 09th, 2021.
Submissions will be accepted until Aug 23rd, 2021, and will be evaluated by a panel of open source technology experts.

Judging criteria - Winner determination and awards

On or around the close of the entry period, a panel of judges will review all eligible entries received and select one finalist for each category based upon the below specific guidelines.

Innovate: How compelling and disruptive is the innovation use case described in the entry? Does the use case involve a big idea and innovative approach? Can it drive significant change?

Outcome: What is the impact on customers, partners, employees, or society? How compelling are the quantified results?

Innovate Everywhere: How well does the entry demonstrate the company's journey to becoming an innovative enterprise? Is the company effectively using advanced SUSE technologies and best practices to transform its technology infrastructure, and become more sustainable, or have they deployed SUSE technologies for creating a smart business?

What's in it for you?

Winners will receive:

- India Innovation Hero Awards 2021 trophy
- India Innovation Hero Awards 2021 certificate
- Inclusion in the SUSE India customer and partner awards winner announcement
- Promotion through SUSE website, social media channels, and marketing campaigns
- Success stories will be credited and presented in the form of case study/ video/ infographic

We want to hear how you have driven innovation to achieve business goals and excelled in your respective sector.
